ABOUT ME

An MSc Computing and Information Communication Technology student that has a passion for programming. Recent experience as a mathematics tutor and as an emergency support staff member.

I am a diligent, patient and honest young man that is always looking to learn new skills

EXPERIENCE

Tutor

Agoben Comprehensive Secondary School

February 2018 – September 2019 Delta State, Nigeria

- Planned and prepared quality mathematics lessons for students to maximise their learning potential and growth.
- Collaborated with other subject teachers to build strong support networks and educational frameworks for students.
- Provided one-on-one and group support sessions to ensure the students' emotional and psychological needs were catered for.

Emergency Support Staff

FAM ENVIRONMENTAL LIMITED

May 2013 – December 2017 Port Harcourt Rivers State, Nigeria

- Responded to emergency situations in the most efficient, effective ways possible.
- Examined hazardous incidents and accidents to uncover the cause and provided corrective actions.
- Conducted regular inspections of the facilities to ensure that they were compliant with fire, hazard and safety guidelines.

PROJECTS

Bachelor of Science Thesis

Novena University, Nigeria

- Researching on Hydro-geophysical study of Anambra South River Basin of Nigeria. The project presents the methods of exploration with a particular reference to the electrical resistivity method.

International Conference on Development Studies

University of Lagos, Nigeria

- Participated in the eighth edition of this event which focused on deconstructing the frames of inequality, sustainability in times of uncertainty, and inclusivity in research methods.

MY LIFE PHILOSOPHY

"A society grows great when old men plant trees whose shade they know they shall never sit in."

MOST PROUD OF

 HSE Level 3: Site Health and Environment Supervision

 University Course Representative, 2007-2009

STRENGTHS

Problem Solving Team work

Hands on learner

Communication Skills

SQL

Microsoft Office

Java

JavaScript

UML

Use Case Diagrams

Data Flow Diagrams

Logic Flow Diagrams
